

In memoriam giving

You may wish to give a donation to the work of the Hospital in memory of a loved one instead of flowers at the funeral.

An online tribute is a great way for friends and family to commemorate, celebrate or simply remember someone special whilst also having the opportunity to raise donations for the hospital. There are many ways in which you can develop your tribute including adding pictures, music and video and you will also be able to invite friends and relatives to contribute and share treasured memories and images.

Whatever you decide we would be pleased to assist and guide you.

The donation that you make can be specifically allocated to the ward or department that cared for your loved one.
