

# Payroll Giving

Payroll Giving (also known as Give as You Earn or GAYE) is one of the easiest, most tax efficient ways of making a regular donation to Mid Essex Hospital Trust Charities. You can donate a set amount each payday to give to our hospital charity. This deduction is made before calculating your taxable pay, which reduces the amount on which you pay tax.

Donations made through this scheme are taken from your gross salary. This means that your donation will cost you up to 40 per cent less, due to it being taken from your pay before tax is deducted. For instance, if you are a basic rate tax payer:

- You pledge £10
- You pay only £7.80
- The taxman will add £2.20 - at no extra cost to you!

And, if you are a higher rate taxpayer, then it will cost you even less to donate £10 as tax is deducted at the higher rate.

Payroll Giving really does make a difference to the way that our Charity can consistently support the vital work of the hospital. It allows us to plan for the acquisition of equipment, the funding of research projects, and the vital services which are over and above our NHS responsibility.
